Christmas Program 2000  
Paramashiva Yoga  
Concord Process – Good News  
Teaching at the Ashram  
December 25, 2000 - Christmas Day

**Swami:** It's a great good news, within twenty-one full moons, who took the Concord, they're going to reach their achievement and few guys is in this before my birthday, they're going to reach their achievement. I really want to tell their names, but maybe it will upset a few people, is it ok to tell the names?

Students: sure.

**Swami:** I think I feel comfortable too, Allen if you can cut off the TV. Turn off. Good. You ok Allen?

Allen: I'm good.

**Swami:** I'm a little concerned what I got last night, the names, I really want to share, it's my dharma who is going to see the Mother Divine. Nobody is not going to get hurt, the remaining people on the Concord, promise? All the Concord people, especially Concord, there is number one name Gustav, number two Paul, three Ramakrishna, four Clint, five Myuri, six Philip, seven Monika L., eight Terry, nine Virginia, ten Nancy. These are all guys going to see the Mother Divine before my birthday and God has to only take care of them, sorry Mother Divine, she has to take care of them. Once if they saw, those guys has to take me in front of the somewhere, anywhere to river, they have to catch me like a little bug. Whole your meditation energy is what you've been through since couple years out, since your energy processes. This is the time you have to me to pull to put in front of the river one night, anywhere in India you have to get it made.

There is a one person missed, it's like a five seconds conversation, no message, the thought, then I don't want to argue too much, to go advise it, you know what I'm saying, to make it give you darshan is enough, first big step. I'm sure tonight I will remember that person, who's that soul. From the point that a life starts and tonight I would happy to Paula Gloria to bring the Jesus in your cross, already he's in that. What you really want is that you want milk, blood, perfumed water to bleed from your cross? Which one you choose?

Paula Gloria: Blood.

**Swami:** Why not milk?

Paula Gloria: It's just what I want.

**Swami:** All the backside people is hearing? New marriage couples, I think they are in the different energies, I'm so sorry but please concentrate on me ten minutes just it's enough! Are you ok Tobias? You feel a little hurt?

Tobias: No. I'm waiting.

**Swami:** It is there a little hurt, Tatyana take care. I fought, and fought, and fought, last night to get it, finally last night I'm little mad, then I walk away. Ok, I said ok, do it guys, and I walk away. I pull the Jesus energy, put it all attention, I said, "Hey, why supposed to do all this work if the results is not coming?" You know what I'm saying? They're doing with one hundred percent sincere, serious heart. You have to bless it, you have to show your darshan to them. Just it's like a thunder, just you see. No, I'm not hypnotizing you guys, just we have to do a little fire ceremony then you have to watch. I think even five seconds is enough, isn't it?

Student: Yes.

**Swami:** What do you mean like that? Minimum few minutes, like a couple minutes has to see. There's a chance I'm going to slap each person, "Are you ok... Are you ok?" That's a little, making a little heat, like a needle. There's a chance you can go a little out. Good luck Myuri bug!

Many people have the confusion, how it possible to urge Swami to be able to reach that stage. What is their life, what is not our life? Everybody's also in the same train, you know what I'm saying? They're in the first buggy, first coach to the engine. Once if they get out from that, somebody can buy that seat, like a swift by swift, then the buggy is going to little bit extend, little more bigger, wider and I mentioned some more names, very seriously I fought there, no you should give the permission, then there's a chance complete I'm going to lose that, better than the blindness, ok, it's enough, few guys, it's fine, let them first see the experience. So when is the best time to you guys?

Paul: Tonight. It's very auspicious.

**Swami:** There is a, here, do you want to see her as a beautiful or as a big huge horror? I need to put today to command on her. Tonight, when the Jesus, when I'm pulling the energy to make her to bleed the blood, or milk, whatever it is to her only, and Allen I can show. It's a little big block to anybody, only to them, I gave a beautiful cross to them, it's a grace of Mother Divine and the Jesus, it's their, I'll do my best, you ok? Are you ok Paula?

Paula Gloria: Yes.

**Swami:** How many months you are going to stay in India?

Paula Gloria: I don't know.

Allen: She got a ten-year visa.

**Swami:** She got a ten-year visa? I really recommend to you, put you in the Concord.

Paula Gloria: I don't even know what it is.

**Swami:** You have to get it. I think you are a big spy - can get everything. Get it from Allen that habit, Allen's like that.

Paula Gloria: Allen said he wanted to try it.

**Swami:** In the Concord?

Allen: Did I say that?

**Swami:** You're very good at that! I really recommend you to join in the Concord, if you like it, follow your heart.

Paula Gloria: Do you have a non-veg version?

**Swami:** I'm sorry you can eat the seafood anything. Seafood, water food, you can eat anything.

Paula Gloria: For twenty-one months?

**Swami:** Hm-hmm. Ok? There's a chance five vacancies is there to join in the Concord, five seats available. You are going to be here in the Baba, in these first steps, where we dig here, we have to put five seats. How many people want? Can you stand up please?

Philip: Many people have said they want to join, but they want to continue to live in a city.

**Swami:** In the city?

Philip: Yeh, that's a big problem, they say they're living in the city and can't go out of the city.

**Swami:** Paramahansa, I will talk to you later sit down. For Japanese people there is a different section, I'm putting not in the Paramashiva Yoga Program, sorry in the Concord, I'm giving like a very, to the Japan country, I'm giving direct, different path, wait.

Birte, Alexandra, Elizabeth E, and you, how many people - ok, the backside man, Ok you want to join Paula?

Paula Gloria: Yeh, I guess so, yes. Maybe I better be more realistic.

Virginia: You can't live in a city.

**Swami:** In New York City, no way. I'm so sorry Allen, I'm not pulling to Paula Gloria here, you can live in Cypress, both you guys, no problem - you can live in Calcutta.

Allen: Calcutta's a city, huge!

**Swami:** Calcutta in the outside, Kerala all most of it, go. Kerala and Calcutta, the India, it's beautiful vibrations.

Allen: I think I'll take Cypress.

**Swami:** Cypress is good. You can live wherever you want except it's a little not too much violent. Too many souls is sleeping there, you know what I'm saying? Wild city. When your soul, when your mind is completely out, you're so sleepy, then something running to your soul mechanism. At that time, different soul's vibrations start affect on you in the beginning step. That is very delicate situation.

Actually, according to the Indian tradition, they're really serious recommend go in the jungle and live. That is the number one but I came down all, just you can live in a small town, it's ok. According to this Concord, you have to live in the jungle like Clint. Seriously, he's living in a jungle. I love it. He gave me one idea, there is 300 acres, like a \$300,000 something - huge property is available. Unbelievable vaastu to the northeast, like that. Today I made a one deal with one company; I got \$100,000. There's a chance I'm going to make it in two or three months, almost \$500,000 - half million. So, this ten people has to be from now onwards, only eating the raw food, fruits, vegetables, you know raw food, no cooking - natural vegetables. You have any hard time with it Philip?

Philip: No, I'm just having hard time hearing.

**Swami:** You can eat the fruits, only raw food. You can drink coconut water, you can take much minerals but no salt, no lemonish, no spicy, especially no onions. I told why the onions very serious, especially practice the nine arrows one hundred percent. It's the Nine Arrow, I wrote it here finally. I wrote it here and I gave the crown chakra to everybody, entire Paramashiva Yoga people, how to suck the Mother Divine energy very easily, and I will explain how you can suck the energy from her, direct to your crown chakra. No hurry, it is there on the paper. After tonight by midnight when I go upstairs, everybody can look it then they can burn it, this paper. What's going on with Allen and Paula?

Allen: We're having a conversation. Just discussing the future.

**Swami:** I am heartfully asking apologizing to you. I am not any misunderstanding, I'm not making you to separate.

Allen: Of course not.

**Swami:** I'm seeing in the Paula Gloria unbelievable capacity. She can really do unbelievable help the world, that's my strongest feeling. Everybody agrees guys?

Students: Yes.

**Swami:** Who knows her?

Monika L.: Definitely.

**Swami:** How many people agree that?

Allen: I support that.

**Swami:** You can take the program, you can live wherever you want, doesn't matter, you can live wherever you want, not in the wild cities. And every Guru Purnima, that time, you have to visit here, but I'm giving you permission, you can bury your thing in these steps where I walks.

Allen: The Shiva sand?

**Swami:** On the steps. In the future no one is not going to remove these steps, this chair, whatever I used is permanent. It's forever and ever.

Paula Gloria: It solves one problem. It's in a plant now and all the other plants died except that plant. So, it works.

**Swami:** It's funny. Especially these guys has to take the raw food and try to get me as early as possible to a river, then you don't need to be in the twenty-one full moons. You can do whatever you want. Then you have to develop how to communicate with her then I will explain on the spot how to communicate her. Nobody didn't answer my question - which form do you want to see?

Monika L.: Could you talk about what would be the difference of seeing one or the other?

**Swami:** Once if you've seen like a totally, like a Maha Kali, if you got the shock, I told it before, there is no chance I'm going to help that, you know what I'm saying? I didn't say that?

Myuri: Yes. No chance he can help at that time...

**Swami:** Until to few minutes I told. A few minutes no chance, you have to stand. If you want to see as an unbelievable prettiness, then you can see as an unbelievable pretty woman. If you don't want to say in your heart, if you don't want to say on the outside it doesn't matter, but I can't give guarantee to you when we are there. Now you choose one thing, now I'm fixing it the energy, whatever in your hearts, again all of the sudden you went there, you changed, that's different story, I can't guarantee that.

Philip: In the future, not that night, in the future, is there a difference if we see beautiful on that night, or if we see the Kali form on that night, for the rest of our lives does it make a difference?

**Swami:** What do you mean?

Paul: Is it set the rest of your life?

**Swami:** No.

Virginia: There's not an advantage of doing one or the other?

**Swami:** First stroke, because of I am there, I can fix it, whatever you really want. That's only I can do that help, little bit.

Nancy: It doesn't affect how we develop that communication, if we see one form or the other?

**Swami:** Same, same.

Paul: I think people are concerned that if they choose the big Kali, that forever and ever, whenever they want to communicate with Kali... it can change - any chance of seeing both?

**Swami:** Don't play like a Tenali, Tenali Ramakrishna, don't play like that. It is unbelievable danger, period. I'm telling you, everybody's witness. I'm not at all responsible, even one percent just I'm sitting on the rock, doing fire ceremony, what I'm chanting everybody has to listen, watch, watch, no comments - coming out.

Clint: I want to see the horrible Kali.

Myuri: Me too.

**Swami:** You no need to follow different people, choose your own way, follow your heart. I need to know how many majority people.

Gustav: I want to see the pretty.

**Swami:** Krishna.

Monika L.: Beautiful.

Philip: Pretty one.

**Swami:** See, he really want to see pretty, but he feel embarrassing, a lot of people will laugh all of the sudden. Tell with your mouth.

Paul: I don't understand what's the difference between the two. Honestly, I'd love to see the divine form of her. I also know there's a certain shakti to the Kali version of her as well.

**Swami:** I don't want to hear your explanations - I want that or this.

Paul: I'd say the beautiful one.

**Swami:** That's the point I need. Ok.

Nancy: Beautiful.

Myuri: I wanted to see the other, Kali, not the beautiful.

Virginia: The beautiful.

**Swami:** How many beautiful, can you raise your hands please. Six. Terry?

Terry: The beautiful.

**Swami:** Seven. So there is only three rakshasas here, who are they? It is Clint, Ramakrishna and Myuri - hmm Ramakrishna and Myuri hmmm, and Clint, pretty good combination. Hmm!! God bless you Ramakrishna! Really, God bless you! Ron too. Pray Kirsten a lot!

Kirsten: I have no doubt. I think he will survive it.

**Swami:** I also think, but I'm not sure. It's done. I'm happy. These guys have any questions? I'm not going to talk again about this.

Clint: Where's the closest river?

**Swami:** Hey, you know very well, more than me you're around. The water has to flow, everybody has to take bath. Absolutely.

Student: Hampi is five hours.

**Swami:** Hm-hmm. Done.

Myuri: Besides Nine Arrows, any other thing we should be meditating now mostly?

**Swami:** The Nine Arrows has to be trained. Once if you start, it has to go like an AK47 machine gun. If you pick up like a mantra, boom, flowing like a propeller. It has to be speed up, speed up, speed up. It's not at all ordinary energy. I don't care to show something, on the things at least to make it hook Her. Forget about the angels, spirits, souls - throw out. Make big hook, you know what I'm saying? It's done. Any questions?

Myuri: What about the Saraswati mantra, should we be saying that?

**Swami:** No comment, you're not asking anything Her.

Gustav: I didn't understand what you mean the Nine Arrows to be honest, because I understood Nine Arrows a need for, to work something through.

**Swami:** I think you're in Sri Sailam, isn't it?

Gustav: Yes

**Swami:** I told the use of the nine arrows, isn't it?

Gustav: Yes.

**Swami:** I really told it, why you again asking that? You don't remember that?

Gustav: Right now I don't remember that I need it if I see Mother Divine.

**Swami:** Hey, who knows when you started seeing Her, then one eye you can see with, one eye you're completely blind. Then you're starting to lose your vision, not vision, your consciousness. You're seeing and completely it's going like a dog, you know what I'm saying? I tolded many examples, fingers coming up, I told many things... It means you have to understand why Swami telling.

Many people think, "Oh, Swami telling his own, la la la." If you think that, in each my one word, even though I'm making laughing and joking, if you think as a funny, you're an unbelievable fool in the universe, I'm sorry, I can't help that. My maximum best I'm trying to tell all making round, to covering all the points. You need it advance. If I didn't feel comfortable on the spot in front of fire ceremony, I will not give it, I'm putting a little away. I want to listen very clearly, ok, it's done then putting you, everybody has to sit on the leaves. There is a little process I will talk a little private and the banana leaves, taking the bath and sitting, doing the process, it has to be mostly in the nature. We have to get the permission to go there, something to work out. Everybody one hundred percent they need fresh cloths to wear it.

Monika L.: Fresh clothes?

**Swami:** Fresh clothes never used on your body - brand new. That's very important. To the men one is enough. Women, complete Punjabis, two fresh. Once if you enter in the water with the same, with the wet cloth, even though it's wet, or you can change it, or with that you can sit and cool off. If it's too much cold, you can take big shower on you. It has to be fresh. Too much in wind, you can take

fresh cloth around you tie it up - never get sick before we go. Make sure much time to be in the silence. Make sure if I gave any power objects to you, never lose that things. Make sure you bring with you all the time to hanging on your body. Suppose I gave you some power object, put it in a bag, hanging in your neck. Make sure never walk with bare foot on the ground. You know barefoot? If you're in the temple fine, if you're outside of the temple you should wear shoes.

Philip: Anywhere no bare feet, except the temple, in your room?

**Swami:** In your room only yourself you're running there, you can, you know what I'm saying? For example, if I walk in the barefoot in the sand, that points will vibrate from one full moon until the next full moon. That sand started to vibrate and vibrate and vibrate. If you step on that, it affect on you. So sorry if it won't make you any sense, it's absolutely true.

Ramakrishna: Socks are ok?

**Swami:** Wear the shoes.

Nancy: Even in the shower?

**Swami:** Yes, wear the shoes buy new sandals.

Philip: So nobody can come in your room during this time?

**Swami:** You want to make me come in your room?

Philip: Inside the room you can walk with bare feet?

**Swami:** No problem.

Nancy: If you're the only one?

**Swami:** I think you can explain that. Keep your health good - milk fine, yogurt fine.

Myuri: If we have roommate, it's ok to keep roommate?

**Swami:** Sure. Don't give to anybody shaktipats. Don't help anybody with energy tickling. Try to little stand away, a little boundary. As a doctor, you can help as a physics something, if they cut off something, fever, can give medicines - not with your energy. Make sure.

Paula Gloria: If you want to go swimming on the beach?

Philip: This is not your process.

Paula Gloria: Oh.

**Swami:** No, they'll explain later. Any questions Virginia? You're not asking today anything, what's wrong?

Virginia: I'm listening.

**Swami:** Today you wear very simple sari, a white color sari to the wedding, what's wrong?

Virginia: What's wrong, because I wore a white sari?

**Swami:** Hm-hmm.

Virginia: Is there a difference?

**Swami:** Yeh, with your face energy and you're just now...

Virginia: Is it better in this sari or the other one?

**Swami:** Blue also beautiful. Is it true guys?

Students: Yes.

**Swami:** Today, everything, she's a little down.

Virginia: Oh today she meditated, she's in silence a lot, she meditated a lot.

**Swami:** Is George hurted you?

Virginia: I hardly see him.

**Swami:** Is George came to your room?

Virginia: Yes.

**Swami:** He came?

Virginia: Sure, not today.

**Swami:** Still, that energy is flowing until now. (laughing) Ok, any questions? It's done. I can't help if again you ask tomorrow anything. I'm so sorry.

Nancy: Should we fix the date now that we're going?

**Swami:** Again you are...

Myuri: What if a woman has her menses?

**Swami:** It doesn't matter. I think Mother Divine is also a woman isn't it?

Virginia: What would be the soonest date that you're available to do that?

**Swami:** Me available?

Virginia: Yes, three days from now?

**Swami:** Hmm, it depends on how much he's paying.

Paul: How much are you charging? How much?

**Swami:** How much your trust and belief? Each person capital what you're giving, putting in the business, is your trust and belief. It's the same word and your open heart, how much you're capital - that is important. Ok, you're giving millions of dollars with a closing heart, if I really want to make money I think I explained to a few people, isn't it?

Philip: Yes.

**Swami:** Today if I work really something, how much today my position?

Philip: Oh, you could be worth a billion dollars very easily. There are many Swami's who are worth much more than a billion dollars.

**Swami:** A powerful offers came, I don't want kill my heart and do something, that's not my nature – sincerity, belief, trust, pure love is very important. I'm not bringing with me the millions of beautiful dogs is with me. Just when everybody's getting, not everybody, few guys is getting wedding and married, they're so happy, everybody's singing - that is divine. That is the joy. That's enough. We will make it in three or four days, ok? Any questions? Think deeply, wait two minutes time.

Myuri: Is it ok to bring a power stick?

**Swami:** Whatever you have the power instruments with you, you have to.

Virginia: Are we going to carry them into the water?

**Swami:** Yeah. You're sitting in the position ready to see her, that's you need it. It's only question to Johnny, only who was here, I'm so sorry, you want something?

Johnny: I was just going to say that I'm a quick study Swami. I want to know my plans.

**Swami:** Hey, what is your plans?

Johnny: I ask you. I'm a quick study.

**Swami:** What is quick study?

Myuri: Quick study means he picks up very fast.

**Swami:** You're super fast, you're saying?

Johnny: I'm fast, not super fast. Fast.

**Swami:** Hmm. What do you want to do?

Johnny: I'm here to learn Swami.

**Swami:** Do you want to live in the India for a little while?

Johnny: That's a good question.

**Swami:** Yes, that is.

Johnny: For how long?

**Swami:** Let's say, for a couple months. You want to come to jungle with me in the caves? That's a very good time to you.

Johnny: I will do that.

**Swami:** You will do that?

Johnny: Yes, when's the time frame Swami?

**Swami:** It's a big problem, after Shiva Ratri around Feb. 27, 28 around that time.

Johnny: Starting that time for two months?

**Swami:** Hm-hmm.

Johnny: Ok, yes, I'm in.

**Swami:** That's the best time.

Philip: For example you gave me this, this is a power object, but it's cloth, do we wear that to the ceremony, or you gave a shawl, do we wear that?

**Swami:** I made my head to that?

Philip: Yes, you took this from your head and gave it to me.

**Swami:** You want to take with you, if I cover up my head, important.

Paul: Shawls from Baba?

**Swami:** There is no Baba story here, there is only Swami Kaleshwar and Mother Divine, her punching and my punching. That's it, Baba just he's audience.

Myuri: Can we drink chai?

**Swami:** Three girls is so much spoiled drinking the chais, isn't it? Cyndria, hello are you here? Are you ok? You have little jealous?

Cyndria: No.

**Swami:** No chai, milk, pure milk ok, yogurt ok. Think one more minute then I have to jump to the subject.

Myuri: Should we be asking for anything in our prayers to Mother Divine or say nothing?

**Swami:** Nothing

Virginia: The only power objects I have are these little things I carry around my neck, but I don't feel like I can take them in the water.

**Swami:** No, after you take bath you need to wear with you. Any questions Terry?

Terry: No.

Student: When a man and woman get married, souls to souls - how long is this attachment, how much lives, or you say forever and ever?

**Swami:** Wait. Let them ask their questions.

Philip: Old sandals ok, or do we have to buy new sandals?

**Swami:** That's your isn't it?

Philip: Yes.

**Swami:** That's fine.

Ramakrishna: What should we do after that process? Or will you tell us after?

**Swami:** At the time, I need to talk to you. After you seen, what exactly you seen, maybe you're going to see only her head, not her body. Something definitely you're going to see it, no doubt, but you have to see, but three guys has really choosed a little. It means I have to do in two different, just few minutes gaps. I have to pull her in a soft way one time, again I have to pull her in a strong way one time. Is it done? But no huggings, if anybody came, your friend - don't hug.

Paul: What if someone touches you by accident?

**Swami:** Where?

Paul: Whole thing not the way Philip got touched, but let's say they want to get your attention so they touch you like that, let's say they bump into you...

**Swami:** That's fine. It's fine. Good. Make sure you're not touching anybody.

Ramakrishna: Any certain types of meditations?

**Swami:** Prepare your nine arrows. I don't want to listen anything, just done by nine your arrows. Maha Shakti prayer I'm chanting, the Nine Arrows you have to be ready.

Philip: There was one other mantra you gave, is that involved at all in this process?

**Swami:** Don't play any tricks, games.

Philip: No, I want to avoid a problem, that's why I'm asking you.

**Swami:** No. Just I told Nine Arrows, that's it, stay Nine Arrows. Forget it, it's all useless now, everything is useless. Entire stuff is useless, just that part you need it, you're getting it, that's important. You know what I'm saying?

Monika L.: The microphone is very bad tonight.

**Swami:** The remaining things, all the prayers is, you don't need now, it's nothing. What you're really going to get it, you're going to get it.

Philip: We're talking about the Sri Sailam prayers? Any prayers?

**Swami:** Any prayers. Even normal Gayatri, forget it.

Paul: Personal mantra?

**Swami:** I'm not saying that. Personal mantra is personal mantra. Any prayers, the Dattatreya process, the angels to seeing, etc... wash out.

Philip: You seem to say that the mantra that we hook by fire might be of use with the Mother?

**Swami:** What he's talking about?

Paul: He's saying three nights ago when we got our new personal mantra, we sealed our energy so no one can suck it. He's saying that this mantra can be used, will be useful?

Philip: You said at one point, I thought you said it helps when you see Her.

Paul: So She doesn't suck your energy.

**Swami:** That's true, but you choose in a very beautiful way, isn't it? To you, no problem...to you no problem,

Philip: No need to do that mantra?

**Swami:** Don't get tempt. Good. Ok, it's done.

Myuri: Thank you Swami.

**Swami:** For what?

Myuri: Whatever you gave.

**Swami:** I'm never satisfied with thanks.

Myuri: It's a bad word, but anyway, I have to say something. It's so unbelievable.

**Swami:** My pleasure. Who does sincere hard work, I'm always with them. I'm for them. I am in them. That's my word to the universe. If they're a little up and down, bumpy, I makes them huge bumpy. That's my nature. If they're coming straight, I will walk straight, you know what I'm saying? To your actions, I'm your mirror. Whatever your face, I will show back to you. You know what I mean? That's it. Ok. Why can't you play a small song, then we'll jump in the... Thank you guys, good luck, who was these people, but still there is one person little mystery. Vaguely I heard the name, I have to check back.

Gustav leads Durga Jai Jai Ma

**Swami:** I think that Concord people has to practice your arrows, isn't it? What time is it?

Students: It's twenty minutes to midnight.

**Swami:** It's the first one isn't it? What we should do?

Jonathan: Do it!

**Swami:** It takes longer than one hour?

Ramakrishna: Yes, it probably takes one and a half hours.

**Swami:** Two hours. Let's say like two hours, twenty people. So, I should leave everybody and most, many people is the Concord. I can explain tomorrow this, is it ok? I think the Concord people is the most, the most, the most important, the first new moon, especially know what special day today is? What day is?

Monika L.: Christmas.

**Swami:** You see that. It's a good omen, absolutely good omen.

Johnny: Was there a solar eclipse today?

Student: Yes.

**Swami:** So what?

Ramakrishna: I don't know what that means.

Gustav: Can we use the ninth arrow?

**Swami:** Sure, take that, it will be useful. Then keep that sheet, Anya in your room, don't make to anyone to see it. Concord people can take this Ninth Arrow. The remaining people, they can charge their personal mantras. Don't waste your time and if it possible in the nighttimes, much time if you can spend your time outside of your room, making the chairs, sitting and meditating, facing the north, you know what I'm saying?

There's a chance I can walk to start giving the shaktipats, not here, only outside of your rooms, sitting in the chairs or laying down, taking the back rest to the wall and sitting comfort, and meditating, then I will explain why it is, because of some process I am going to do here, in this premises because of Jesus came here and I have to, it takes one or two days to fix the energy, everything. We can go to river and we can to do the job and be back. In meanwhile time, I'm happy to give the shaktipats when you're sitting outside of your room in the chairs. I think there is enough chairs, isn't it?

Students: Yes.

Student: Is this for everybody Swami, in all processes?

**Swami:** Yes, entire people, entire people, entire people. Is anybody having a little feeling, "Oh Swami's seeing to the Concord people one type and he's seeing normal Paramashiva Yoga people, seeing like a little step-mother love." Is anyone feeling like that? Hello, is anybody feeling like that? Some people what I feel, Swami's seeing like a really good, high respect to the Concord, some people Paramashhiva Yoga, he's showing like a step-mother love.

Don't think like that. I have five fingers. All fingers is not equal is it? But all is mine. Each finger have a different specialty, but it is all mine. Try to understand that truth. Everybody's mine, everybody's my sincere students. Wash out that type of feeling in your heart.

Everybody will reach your destiny. It will be ok. So, it's time almost 12 o'clock coming. So once more Merry Christmas to everybody. Have a wonderful time!
