Swami's Soul University Talks  
Sri Chakra and the Female Character  
Talk at the Ashram  
September 19, 2007

**Swami:** What is the use of the Sri Chakra? The siddhis, and the manifestations, and the pulling Her, and burning the illusions, burning the karmas, and purify anybody's karmas, and to see the different forms of the Mother. And you can do the soul travel - this type of all siddhis. As a mother, a female character, what she can create it, that creation is going to happen through the Sri Chakra. You understand this?

Brian: Honestly, no.

**Swami:** I agree that. You got the point?

Luzia: So, if a woman is creating a baby in her womb, that is through the Sri Chakra?

**Swami:** Already Sri Chakra energy is there. Sri Chakra energy is there, not only Womb chakra. The Sri Chakra energy is there. Without Sri Chakra there is no female character in the planet, so the female character, what you want to create, you need the Sri Chakra perfectly in your soul.

Whenever you want it you can draw it and all bijakshara, the petals:

ja ma taa raa ja baa na sa la gam, na ja bha ja ja ja ra,  
bha ra na bha bha ra va, sa bha ra na ma ja va,  
ma sa ja sa ta ta ga

The block of Sri Chakra petals - that is very important.

Any mantra, any sloka you can see that letter. Gayatri mantra, Earth mantra, Sky mantra, Fire mantra - any mantra somewhere it's linked that letters. It's the skeleton frame of the whole mantras, that letter.

Luzia: Personal mantra too?

**Swami:** No, personal mantra somewhere it links.

Luzia: To the petals?

**Swami:** Yes, somewhere. Ok, I don't want to disturb. If you have any doubts you can clarify it.

Luzia: With you Swami?

**Swami:** Yes.
