**Swami:** What's going on? So Constanze is...?

Constanze: No, it's so beautiful.

**Swami:** You had a good journey guys?

Students: Yes.

**Swami:** Are you sure?

Students: Yes.

**Swami:** Is everything made by Chitti Babu, can you believe it? This is very royal area. Entire in India two places the hottest places. One is Rajasthan, second one is Kadapa near... desert. I got married here. Even whenever I'm going this road, take the bypass go straight, never even stop. Fifteen years, fourteen and a half years of my life I spend my life span here. The cycle is now. The cycle is...

Students: Now.

**Swami:** Ra, ra, ra, ra, Sri, photo. Like almost one and a half years he is very happy here. He did enjoy here, put that way. Take the sweat out... I can't speak in front of the... Good. Right, right. So thank you for coming.

I would like to show you around this area. There is lot of beautiful temples. Our neighbor Krishnadeva Raya, he also ruled this area. On the way to Tirupati he needs to come from this area. There is a big Rama temple twenty minutes away from here, gigantic, more than Tirumala. From here if you want to go to Vera Brahmendra, two hours from here, one and a half, two hours, very close. I think few people seen the Ragavendra's mater's Samadhi. That little forest, small forest area, they didn't give permission to you guys to go there. You go?

Students: Yes.

**Swami:** Then you can see, take Nancy and somebody Paul. Quite amazing Jiva Samadhi... How is the vaastu?

Students: Beautiful. Good, very good.

**Swami:** Final did the Rambramha, what he given to me from the foundation until to now. He built this. Every inch he measured, the slop. I...him that Northeast cut. He gave the heart to the Northeast cut. Even there is a... made the two doors there make it use that place, that spot. And moreover he opened again the Southeast there too make it both balance. He gave the Southwest more power. I had to accept him as my guru.

Same spot where I sat, he sat there, and we discussed tons of works whole night discussing, discussing, discussing... He explained Tirupati, Tirumala, his fifty years knowledge I grabbed as much as I could. It's quite amazing. If spirituality is one eye Vaastu is another eye. Even though you're a top enlightened person, if you don't know the vaastu, anti vaastu places there, you cannot do it. Clear golden statement, Vaastu has that much power.

Vaastu is first your bedroom, then your house, then your environment, then your movements. If you don't want to work and you just want to be relaxed, be in Northeast. If you want to do some creativity, punch be in Southwest. You don't want to be in the house, always you want to get

out, stay in Northwest. If you keep your wife or somebody, the ladies in Southeast - they will really dominate on you. They will?

Students: Dominate on you.

**Swami:** That's why majority the kitchen in the Southeast, the wife is cutting the vegetable, she's thinking what the husband's doing in the office, where he's gone, whom he visited, what is the... Good. Who is your leaders? You and Paul, I recommend jump in the bus.
