Ashram Talks With Swami

Swami Manifests Jvala Shiva Lingam (Agni Lingam)

Talk in the Baba Temple

October 1, 2009

Swami comes down to Baba's Abhishek.

Swami: Hello. Good morning!

All: Good morning!

Swami began working with his scarf over the fire, commanding on the fire. He put into his scarf some ash and water together like a ball, then took the scarf in his hand and asked:

Swami: What is this?

Some students: Lingam

Then Swami pulls a big black Lingam out of his scarf and lets the priest put it on Baba's lap.

Swami: It's called Jvala Linga. Jvala, Linga, Agni Linga. The Abhishek is running and fire is running, and to make it balance equal, pull it out. I'll tell you how to do that. You have to excuse me, hundreds of people are already waiting in America with my phone call. They are now here (on the phone). So I have to give a call to them, and hopefully in a couple of days I will join you guys in Tirupati, hopefully, and Kalahasti. We'll have a great time there, and once we get back whatever I promised, whatever you promised, whatever you promised... What you promised? Hello!

Student: Our Diksha.

Swami: Your Diksha. Discipline is very disciplined. Without discipline I can't help you. I love discipline. Whenever I have to wake up early morning 2am, 3am, 4am, 5am, 2pm - no problem. I have my own schedule. Discipline is most most most most important. If you are not crossing discipline, you're okay. If you are crossing the discipline, you are in the danger. I can't help you. Simon?

Simon: Yes Swami.

Swami: You heard it?

Simon: Yes!

Swami: Discipline is that much important. After Dasara, Baba's Maha Samadhi day, same the Shiva-Shakti energy what he had, that Shiva-Shakti energy we pulled it here - right time, right trigger. Gurusthan, his Gurusthan we can measure that Shiva Lingam and if it is $\frac{1}{4}$ inch any tiny bit I'll cut my head. It's equal - any angle is equal, energy also equal. Weight, size... when you hold it everything is equal. Everything is?

Students: Equal.

Swami: Equal. That's a Gurusthan Maha Samadhi day - Dasara. Dasara means his Maha Samadhi day. Samadhi day means he left his body. Once he left his body means, he has to touch his Power Spot, then he has to take off, and nine days spending around it. I can't make any more comments on it. That type of power object I'm giving as a gift to you guys. That's your property, how you are going to protect that, that's your decision.

Good luck and I will take care of remaining people. Americans waiting, can I take a leave?

Students: Yes.

Swami: Thank you.
